

Mathematics Computing Lab

24 hour access application form.

The Mathematics Computing Lab (MCL) is available for access 24 hours per day, 7 days per week, except for the period over Christmas/New Year when the University is closed, and when the lab is booked/reserved for specific sessions.

Any UWA student with a current campus card may apply for after hours access.

Access is granted only after agreeing to abide by the following conditions and then signing this form to accept these.

Conditions for 24 hr access

These conditions are in addition to the *MCL Conditions of Use* and students are required to abide by these as well as the conditions below.

- **Access is only granted to the owner of a campus card** being validated by the card reader near the entrance to the MCL. **The owner is not to allow anyone else into the lab under any circumstances!**
- **Your Campus Card must not be lent to anybody else** - you are responsible for your campus card and must report it missing if it is lost or stolen.
You MUST NOT use your campus card to allow another person into the lab!
- **Food and drink are not permitted inside the MCL at any time.**
Water is permitted **IF** it is in a closable bottle.
- **The University may require payment for any costs required to clean or repair any damage resulting from any violation of the conditions governing this lab.**
- **Any breach of these or any other conditions governing the use of the Laboratory facilities may result in your 24h and/or computer login access being revoked.**
It may also result in disciplinary action being taken under University Statute 17, or criminal proceedings initiated as appropriate.

.....
Please present **this signed form** along with your **campus card** to the **Reception Desk** of the School of Mathematics and Statistics.

Student Number of Card Holder

I (name of card holder) understand and accept the above conditions as well as the general MCL Conditions of Use.
